COVID-19 Test Kit Vending Machine

Card Reader Interface *Optional*
Allows you to verify a user's credentials via student IDs or campus cards.

UVend Technology *Optional*
Quickly and safely sanitizes the machine's high-touch surfaces with UVC light.

Adjustable Flex Trays
Provide COVID-19 tests, masks, gloves, disinfectants and other sanitizing products.

Custom Graphics *Optional*
Promote your test kits on campus with an eye-catching graphics wrap.

Convenient access to self-administered COVID-19 test kits helps ensure compliance to campus testing protocols and quickly identifies any potential COVID-19 exposures. Place these easy-to-use machines in residence halls, dining areas, or other campus buildings for "can't miss" access.
