

Smart Lockers

Take back control of your inventory with Smart Lockers. Keep your assets secured by only allowing qualified employee access.

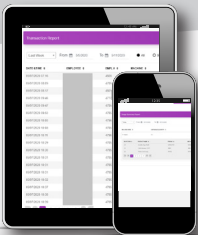

Smart Lockers offer maximum flexibility through easy in-field reconfiguration. Adjustable compartments create space for larger items. For additional capacity, one or more Satellite Smart Lockers can be added to the Stand Alone Smart Locker.

Compartment Functions

- Single Dispense
- Multi-Dispense
- Check In/Check Out
- Will Call (Drop-off, Exchange or Pick-up)

Easily Track Usage & Inventory

With iQ Technology you have real-time data of who took what, where it was used, and when it was returned. Reduce inventory hoarding, overuse and shrinkage, while analyzing usage to maximize inventory availability.

Easily Adjust Compartment Sizes
